Message from the Trustees

Hopefully, for all our members, Summer has been filled with enjoyable activities that challenge your artistic abilities. September is the beginning of an active time for TAC. Planning has already started for Heralding the Holidays under the leadership of JANET WHARRY. JANET AND PAULA DAVIS are working with the other ROC groups to make this event even better than 2018. Please volunteer to help with the many tasks that need to be staffed in order to make it happen. You can contact JANET by email. (janetwharry@yahoo.com)

Regarding the monthly gallery shows, if you have ideas for improving these exhibitions or would like to suggest themes for next year's shows please contact DUANE LAMMERS, duane_lammers@hotmail.com, or DEBRA SOMMERS, DS5875@gmail.com, who are the new co-chairpersons for the Gallery Exhibition Committee. The Board will be finalizing the themes at the September 17, board meeting. The meeting starts at Noon; all members are welcome to attend.

The Art Library bookshelves in the storeroom adjacent to the Studio are collapsing. The Bookcases are not strong enough to hold the weight of the books we have. The Board will be addressing this issue in September but in the meantime, please do not donate any more books to the club until we decide how to fix the problem. Also refrain from taking out or replacing any books, as any movement might cause the shelves to fall down.

At the September board meeting we will also address the vacant officer and committee positions:

Board President
Board Chairman
Workshop Chairperson
Auction Chairpersons (2 required)

Please consider stepping up to fill one of these positions. You do not need to be a board member be an officer.

RICH CARLE
Treasurer

Artists working in all mediums and levels of experience are encouraged to attend this learning experience. Dates are October 7 to 9, 2019. Juror's Comments: Thank you for inviting me to jury your exhibition. I am especially drawn to landscapes and this was a difficult show to jury for awards. I awarded work that was dominated by primarily a sense of light that seemed suitable to the subject matter. The works were also interesting to me in how they described our region. Craftsmanship is always something I look for and the attention to detail that is needed for a complete experience of an artwork. Certainly these works live up to a high standard of making. Finally, Everyone is a winner, because you have chosen to engage in the wonderful activity of experiencing your world and sharing your insights into it.

MILLE GULDBECK – 08/24/19. MS GULDBECK is a professor of Painting who teaches Painting and Drawing in the College of Arts and Sciences at Bowling Green State University.
